

A photograph of a tunnel-like structure made of a grid of thin metal rods, illuminated with numerous small, bright blue lights. The perspective is from the end of the tunnel, looking down its length. The lights create a shimmering, starry effect. In the center of the image, there is a white rectangular box with a thin black border containing text.

ENCHANTED
WINTER WONDERLAND
AT HABERDASHERS' HALL

18 West Smithfield, EC1A 9HQ

WHAT TO EXPECT

An immersive walk through journey that takes you through an evening of mesmerising festive enchantment. Enter through the giant iron gates of Haberdashers' Hall, before senses dance as guests are witness to an illuminating light show of snowflakes and stars. Twilight giant icicles create a mystical whimsical land, take a seat on ice sculpted thrones, sip champagne and delight in the vista of twinkling lights in this enchanted winter wonderland.

Crystals and an iridescent trail of icicles greet party goers before the tempo warms upstairs in the Gallery. Soft white seating and snow dusted carpets create an idyllic viewing point to watch the spectacular light illuminations in the Courtyard below.

An enchanted banquet awaits in the adjoining Hall; tables dressed in candelabra, silver candlesticks, frosted white glass, storm vases and tealights; create a magical, enchanted winter wonderland setting.

Dance under the silver twilight of mirror balls before you leave this mystical land behind...
